

Quick Installation

Wall Mount Bracket for Linksys SPA900 Series IP Phones

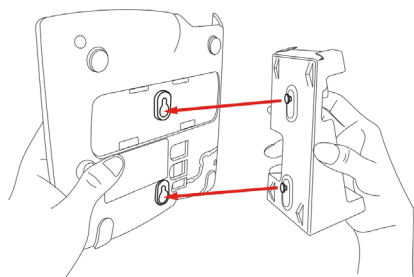

Mounting Bracket for Linksys IP Phones

Enables a phone to be mounted on a wall

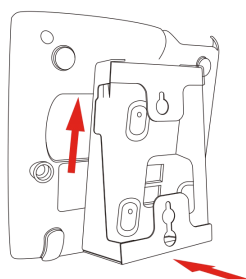

Convenient tray to hold optional Wi-Fi or PoE dongle

Universal design fits all Linksys SPA900 Series IP Phones

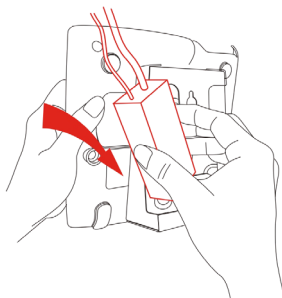

To attach the Mounting Bracket (MB), align the two cleats on the MB with the holes in the phone's base.

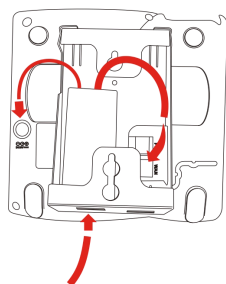

Orient the MB such that the phone's Ethernet and handset ports are accessible after installation.

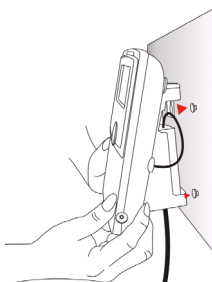

Push the MB onto the phone's base. Slide the MB upwards to lock it in place.

If a Wi-Fi or PoE dongle is installed (optional), place in the tray.

Plug in the Ethernet and power cables.

Hang onto screws mounted in the wall.
