To view the page for Unified CCE, see: <https://www.cisco.com/c/en/us/support/customer-collaboration/unified-contact-center-enterprise/products-device-support-tables-list.html>

# Reference

## Cisco Customer Collaboration Platform Developer Guide

This document contains information about the APIs used in Customer Collaboration Platform.

The Developer Guide is available on CiscoDevnet, which requires authentication for access. To view the latest Customer Collaboration Platform Developer Guide, see <https://developer.cisco.com/docs/contact-center-express/#!customer-collaboration-platform-dev-guide>

## Cisco Security Advisories

Addressing security issues in Cisco products is the responsibility of the Cisco Product Security Incident Response Team (PSIRT). The Cisco PSIRT is a dedicated, global team that manages the receipt, investigation, and public reporting of security vulnerability information that relates to Cisco products and networks.

For information on existing security issues, see Cisco Security Advisories, Responses, and Alerts at:

<https://tools.cisco.com/security/center/publicationListing.x>
